

Beginnings Assisted Conception Unit Self-funding price list

1st April 2024 to 31st March 2025

Self-funding treatment is for those patients who are not eligible for NHS treatment

Please note that payment will need to be made in full before treatment commences.

Consultation fees

Initial consultation	£225
Follow-up consultation	£175

The treatment type and items included in the various package cost is detailed below. Please be aware some things are NOT included in the initial price, extra costs may be incurred for the following:

- **Freezing of surplus embryos** (if required)
- **Semen analysis** (if required)
- **Additional blood tests** (as required), please be aware these may not be covered in NHS cycles

Patients will be sent an invoice prior to commencement of treatment.

Please note we do not charge for blastocyst culture. If anything is unclear please clarify with a member of the team.

Self-funding prices St Helier - Version: 5.0. Index: FIN-LIST-001. Printed: 12-Jun-2024 12:16
